4. 4th of July Picnic:

Read and discussed Andy's comprehensive e-mail regarding food/meat order and organization of grilling area and front-of-house for CCG's annual 4th of July Picnic

Discussed and agreed that Charles and Peter would oversee grilling and pre-order meat from Esposito's and also buy vegetables for grilling; Cat would oversee front-of-house and buy veggie burgers, buns, condiments, pickles, plates, napkins, cups and utensils.
