Voted to change CCG Steering Committee recurring meeting day to the first Wednesday of the month going forward (starting in April); Cat reached out to Stan to update this on our website

Key sales will continue to be first Tuesdays and Saturdays

9th Avenue Food Festival: discussed having t-shirt contest; we have no more t-shirts left from the 2018 order

Bees: Need to reach out to Andrew to get an update on the bee boxes for this year and a general report

GrowNYC: voted to participate in Grow NYC plant sale this year; Veanne to work on this

Soil Amendments, Cat to reach out to Hicks and Foram to Victoria's; aim for Saturday, April 23rd as delivery date (or Sunday the 24th as second choice); we would plan the next CCG Volunteer Day around the delivery of soil amendments

Trip to Victoria's Nursery: Proposed another steering committee field trip to visit Victoria's (or another) nursery (in May)

Key Sales: Andie H will create spreadsheet for key sales schedule; each CCG member is obligated to sell keys at least twice during the selling

New Business:

CCG Venmo Account: at next month's steering committee meeting, we will discuss the CCG getting a Venmo or similar account so we can accept credit card payments
