Foram will reach out to Victoria's; Cat will reach out to Hicks

Saturday, October 23rd is next proposed date for Volunteer Day (and hopefully for a soil amendments delivery)

Special Events Application, all voted in favor

New Business:

Chris announced he has to resign because he and his partner are moving to Brooklyn

Care of Legacy Trees: Annie will reach out to Bartlett; Andy mentioned he would like to be there when the work is done. Cat suggested Bartlett should look at the tree in the tree bed on the sidewalk in front of the gate as the roots are exposed.
